

## **Electric Utility Engineer**

Harrison Rural Electrification Association, Inc. is accepting applications for a full-time Engineer. Qualified applicants must have a BSEE along with 5-7 years of direct electric power engineering. Preference will be given to those who have experience with Electric Utility Cooperatives and have a Professional Engineer License registered with the State of WV. Working knowledge of applicable RUS, NESC, IEEE, and ANSI standards are highly preferred. The applicant must be a team player and possess the ability to multi-task with a wide variety of Engineering responsibilities. HREA, Inc. offers an excellent benefit package that includes health insurance, PTO, and retirement plans. Salary depends on qualifications. Send application/resume to: James A. Smith, Human Resources, HREA, Inc, PO Box 4247, Clarksburg, WV 26302 or email to [jsmith@hrea.coop](mailto:jsmith@hrea.coop). Position open until filled. E.O.E. M/F/D/V.
